Golden Rule is a National Project of Veterans for Peace

The sailboat was recently dismantled and shipped to Minnesota for the start of The Great Loop voyage. Beginning in Stillwater, and for the next 15 months, the Golden Rule is travelling a loop around our Nation's Mid-West and East Coast waterways, making 100 ports-of-call to raise awareness about the growing danger of nuclear war, and to build support for the abolition of nuclear weapons. Central Park: 3:00 - 7:00 PM
